

## Textbooks on Library Reserve, Fall 2017

Sinclair Library reports:

“This semester the library is piloting a project where books on the Manoa Fall 2017 Textbook List that are in the Library’s general circulating collection will be automatically placed on Course Reserves. Placing an item on Course Reserves enables students to search by course or instructor name and share access. Electronic Course Reserves are accessible remotely with a hawaii.edu user name. Users can identify items in Course Reserves through the Hawaii Voyager Catalog.”

As of August 17, when I received that email from the library, two of my textbooks are on that list: *The Three Sisters* for English 271 and *An Exaltation of Forms* for English 461. The reserve collection is in the Wong Audiovisual Center on the third floor of Sinclair Library. Material on reserve can be taken out only for brief periods, so plan to copy pages on your phone or the copy machine.
